

A photograph of a modern building with a courtyard at dusk. The building has multiple stories with large windows and balconies. The courtyard is filled with trees and plants. The word "WELCOME" is written in large white letters across the middle of the image. The letter 'O' in "WELCOME" is replaced by a colorful molecular structure icon.

WELCOME

Fall 2024
DQBM JUSCOR

- DQBM
- DQBM JUSCOR
- University politics
- UZH Infrastructure/Information
- Important information to Zurich/Switzerland
- Fun around Zurich

“The DQBM fosters research and education at the interface of biomedical research, biotechnology, and computational biomedicine to develop the foundations of next generation precision medicine.”

Bodenmiller, Polymenidou, Kümmerli and Joller at Irchel
Menze and Krauthammer at USZ

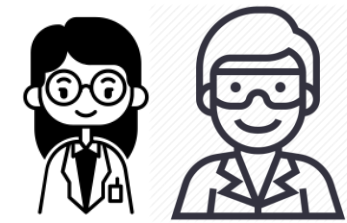

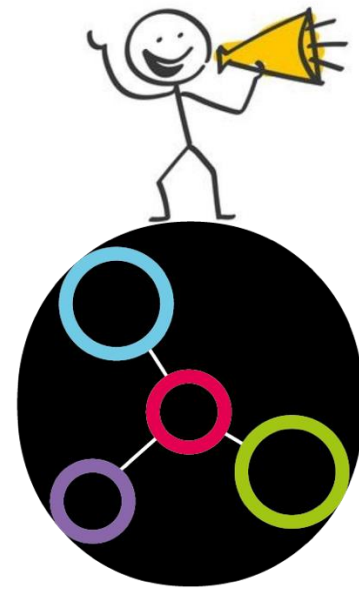

- **Cutting-edge research environment at UZH & connection to USZ**
- **Scientific and semi-scientific events**
 - DQBM internal seminars & guest speakers
 - DQBM Retreat
- **Central communication and updates, PR, outreach**
- **Support in case it is unclear where to go**
- **Financial support to JUSCOR 😊**

YOU!

Passive members → All of you!

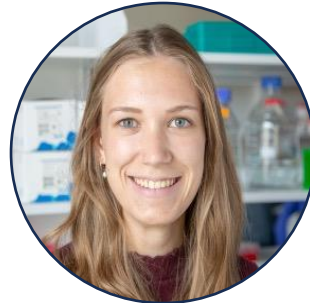

- All members of DQBM (students, PI, etc.) are passive members already
- Can take part in events
- No right to vote on general assembly

Active members → Hopefully all Junior Scientists!

- PhD students and Post-Docs (Junior Scientists) from the DQBM
- Right to vote on general assembly
- Volunteers for events
- If you want to be involved but do not have time/do not want to be on the board
- Help shape the organization
- All labs should be represented
